**Councilmember Gloria Announces Completion of Bridge Renovation**  
*Robinson Avenue Bridge Re-painted*

*SAN DIEGO, CA (March 20, 2009)* – San Diego City Councilmember Todd Gloria today announced the completed renovation of the Robinson Avenue bridge in Hillcrest. The bridge was in ill-repair before being repainted this week.

**“One of the entryways to Council District Three is again welcoming,”** said Councilmember Gloria. **“I am proud of the character of our older urban communities, and pleased that we were able to refurbish the Robinson Avenue bridge for the use and enjoyment of thousands of San Diegans and visitors.”**

Robinson Avenue is a well traveled corridor extending from Mission Hills through Hillcrest. The bridge spans State Route 163 and connects two heavily utilized on- and off-ramps.

**“Repairing our streets and roads and preserving our infrastructure is absolutely necessary. We cannot afford to let conditions of our public assets deteriorate, and I will continue to make progress addressing deferred maintenance throughout Council District Three,”** said Councilmember Gloria.
